

2017-2018 Supply List for Farm and Garden – Mrs. D

All students:

Rubber waterproof boots (not leather) to be left in the classroom all year. There are usually several free pairs available in the Farm and Garden Room at the beginning of the year, if you would like to check there before purchasing please do.

Please label **UP THE BACK OF THE BOOT LEG** (not the heel itself) with name and grade, or you can wait and Mrs. D will label them.

4th Grade and up:

In addition to boots please provide a **1-inch hard sided binder** to be left in the Farm and Garden room all year. Please do not get a 2-inch binder -- they take up too much room on the shelves. Make sure it the binder is hard sided, so it can stand up by itself on the shelf.

Label on the **SPINE** with the name and grade, so it can be seen when standing on the shelf.
