We are pleased to announce that the application for the 2017-2018 San Joaquin Engineers Council (SJEC) scholarship can now be downloaded from our website at www.sjec-ca.org. Please share the scholarship application with graduating high school seniors who plan to enroll in an engineering curriculum. NOTE: Hard copies of the application **will not** be mailed.

SJEC represents several engineering organizations who work together to promote and celebrate engineering. Each year, member organizations, businesses, and individuals contribute generously to the SJEC scholarship fund. Last year, scholarships of \$2,000 each were awarded to 5 deserving students.

We are also requesting that you provide us with updated contact information. If the addressee requires updating, please send your contact information (name, address, and email) to rskaggs@condorearth.com or mail to:
